### Special screen trading session for SGX India equity index derivatives on 14 November 2020

#### 1. Special screen trading session on 14 November 2020 (Saturday)

In line with the opening of the underlying cash market in India on account of Muhurat trading on Diwali, the Exchange would like to inform Members that the following contracts will be open for screen trading on 14 November 2020 (Saturday):

- a. SGX MSCI India Index Futures (MD);
  - b. SGX MSCI India Net Total Return (USD) Index Futures (NMD);
  - c. SGX Nifty Bank Index Futures (INB); and
  - d. SGX Nifty 50 Index Futures and Options (IN, CIN, PIN)
- (collectively, the “**the Contracts**”).

The Negotiated Large Trade (NLT) facility will not be available on 14 November 2020.

Please refer to Appendix A below for details on session state timings.

#### 2. Business and Clearing Date

All electronic trades conducted during the respective sessions and dates will bear the following business and clearing dates.

All electronic trades conducted during:	Business Date	Clearing Date
T+1 Session on 13 November 2020 (Friday)	13 November 2020	16 November 2020
Special Trading Session on 14 November 2020 (Saturday)	14 November 2020	16 November 2020

#### 3. Good-till Cancelled Order (GTC) Orders

Members should note that if they have configured their Trading API settings to remove all orders in the event of a trading API disconnection, then all Good-till-Cancelled (GTC) orders for the Contracts will be removed from the trading engine should Members experience any Trading API disconnection on 14 November 2020.
